3.3 Collaboration Principle. During the bootstrap phase of the Company (defined as the period from the Effective Date through and including the twenty-fourth (24th) calendar month following the Effective Date), the Founders agree to operate under the following principle:

Roles and responsibilities define ownership, not boundaries. Each Founder is expected to step into another Founder's domain when help is needed. The Chief Executive Officer assists proactively across all domains as a baseline; the other Founders assist as needed when called upon. The R&R Framework is the framework for accountability; it is not a limit on contribution.

The restriction in this Section 9.1 shall be limited to the maximum extent permitted by

applicable law and shall not apply where prohibited by the laws of the Founder's primary place of work, including without limitation the laws of the State of California.

13.2 **Counterparts.** This Agreement may be executed in counterparts, including by electronic signature, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

13.3 **Entire Agreement.** This Agreement, together with the Restricted Stock Purchase Agreements, the CIAs, the Certificate of Incorporation (as amended), and the Bylaws, constitutes the entire agreement among the parties with respect to the subject matter hereof.

13.4 **Severability.** If any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions shall continue in full force and effect.

IN WITNESS WHEREOF, the parties have executed this Amended and Restated Co-Founder Agreement as of the Effective Date.
