

PROCEDURAL NOTES — DELAWARE FILING (D03)

PHEEWE, INC.

A Delaware Corporation

This document is internal procedural guidance for filing the **Certificate of Amendment to the Certificate of Incorporation (D03)** with the Delaware Division of Corporations. It is not an outgoing email and is not part of any executed legal instrument.

ARTICLE 1. FILING PATHS

1.1 Path A — Stripe Atlas Dashboard (Recommended)

1. Log in to the Stripe Atlas dashboard for Pheew, Inc.
2. Navigate to **Documents** → **Amendments** → **Amend Certificate of Incorporation**.
3. Upload the signed PDF (D03_Certificate-of-Amendment_signed.pdf).
4. Atlas service fee: approximately 50–100, in addition to the Delaware filing fee.
5. Atlas handles portal submission and returns the Stamped Filed Copy via the dashboard.
6. Recommended because Atlas already holds Pheew's corporate identifiers and handles agent-of-process coordination.

1.2 Path B — Direct via Delaware Division of Corporations

1. Visit <https://corp.delaware.gov/>.

2. Log in to the corporation account (created at incorporation).
 3. Navigate to **File a Document** → **Certificate of Amendment**.
 4. Upload the signed PDF.
 5. Pay the filing fee (approximately \$194 base + \$80 expedited 24-hour processing). Confirm current fee schedule before filing.
 6. Receive the Stamped Filed Copy by email within 1–3 business days.
-

ARTICLE 2. RECEIPT AND FILING

2.1 **Stamped Filed Copy.** Save to Pheeew_Master_Corporate_Records/02_Equity_Restructure/2026-05_Justin_Joining/_DE_Filing/Pheeew_Certificate-of-Amendment_DE-Filed_[YYYY-MM-DD].pdf.

2.2 **Notification.** Notify all four Founders by email upon receipt of the Stamped Filed Copy, with the filed copy attached.

ARTICLE 3. SEQUENCE DEPENDENCY (DO NOT SKIP)

3.1 The new share issuances contemplated under D04, D05, D06, and the Equity Incentive Pool top-up cannot lawfully be made until the Certificate of Incorporation authorizes 14,000,000 shares. The amendment becomes effective upon filing with the Delaware Secretary of State. **Do not execute the RSPAs (D04 / D05 / D06) or issue Stock Certificates (D11 / D12a / D12b) until the Stamped Filed Copy is received.**

ARTICLE 4. OPTIONAL OUTSIDE REVIEW

4.1 If outside paralegal or attorney review of D01, D02, and D03 is desired prior to filing (Stripe Atlas legal or Clerky typically charges 200–300 for a one-pass procedural review), it should occur **before** filing the Certificate of Amendment with the Delaware Secretary of State, since post-filing reversal requires a separate corrective Certificate of Amendment.
