

Phase 4 • Step 4 • Delaware Filing — Procedural Notes

This is NOT an email — it's a portal filing. No "Email 5" goes to Delaware. These are the notes for filing D03 (Certificate of Amendment) with the Delaware Division of Corporations.

Two filing paths

Path A • Direct via Delaware portal

1. Visit <https://corp.delaware.gov/>
2. Log in to the corporation account (created at incorporation by Stripe Atlas)
3. Navigate to "File a Document" → "Certificate of Amendment"
4. Upload the signed PDF (D03_Certificate-of-Amendment.pdf)
5. Pay the filing fee (~\$200, payable by credit card)
6. Receive the **Stamped Filed Copy** by email within 1-3 business days
7. Save the stamped copy as `Pheeew_Certificate-of-Amendment_DE-Filed_2026-05-XX.pdf` in `_DE_Filing/`

Path B • Stripe Atlas (RECOMMENDED if Pheeew was incorporated via Atlas)

1. Log in to Stripe Atlas dashboard
2. Navigate to Documents → Amendments
3. Select "Amend Certificate of Incorporation"
4. Upload signed D03 PDF
5. Atlas service fee: ~\$50-100 on top of the \$200 DE filing fee

6. Atlas handles the portal submission, returns the Stamped Filed Copy via dashboard
7. Faster + safer than direct portal navigation

Recommended: Path B (Atlas). Atlas already has Pheeew on file, knows your corporate identifiers, and handles the agent-of-process forwarding. Worth the \$50-100 service fee.

What you'll receive

- Email confirmation from Delaware (or Atlas) within 1-3 business days
- Attachment: Certificate of Amendment with Delaware Secretary of State filing stamp + filed date

Save the stamped copy

Save to: 02_Equity_Restructure/2026-05_Justin_Joining/_DE_Filing/
Filename: Pheeew_Certificate-of-Amendment_DE-Filed_2026-05-XX.pdf

DON'T proceed to Phase 5 until this lands

The new shares (Justin's 3,017,143, Alex's refresh 141,428, Jason's refresh 184,286, pool top-up 371,429) cannot be issued until the Certificate of Incorporation authorizes 14,000,000 shares. That happens only when the Stamped Filed Copy is received.

Optional • Atlas legal review before filing

If you want the \$200-300 paralegal review (Stripe Atlas legal or Clerky), do it BEFORE filing. They'll flag any procedural issues with D01, D02, D03 in one pass. After the Certificate of Amendment is filed, you can't easily un-file it.
